Broad information for image processing art. 13 legislative decree 196/2003

The School intends to use images and video footage in which some children are recognizable for:

• own initiative
• request by institutional entities or by delegation thereof
• relationships via audio-video channels with families for educational integration

By way of explanation, diffusion is possible in indeterminate areas:

• publication cover (book, brochure, booklet, calendars)
• illustration of articles or editorial texts contained in publications
• illustration of articles or editorial texts contained in sites or pages published on websites or broadcast television
• representative video of the activities carried out and use in specific areas

Use in specific areas:

• projection in a public setting (conferences, public meetings, public events, competitions)
• public display (exhibitions, conferences)
• degree theses, research doctorates, academic fields
• Availability via link to a web page on the website.

The images used are relevant to the content of the publication and do not depict elements from which health conditions or other sensitive information are evident.
No personal information will be associated with the images. The school is not responsible for the use that third parties may make of the published images.
The use will be authorized only with the unanimity of the consensus obtained.
The Privacy Guarantor, in a statement dated 12/17/03, reiterated the lawfulness of the filming carried out by the parents in occasion of shows, competitions, activities as these are images collected for personal purposes and intended for specific purposes familiar. It is the person who resumes being responsible for the non-dissemination of the footage in question in different areas.
